

5th International Theoretical and Practical Conference "Supercritical Fluids: Fundamentals, Technologies, Innovations"

Suzdal, September 15-18, 2009

Organizers:

Russian Academy of Sciences
Institute of Solution Chemistry (ISC), R.A.S.
Ivanovo State University of Chemistry and Technologies (ISUCT)
RF Agency of Science and Innovations
Russian Foundation for Basic Research
Consortium on SCFT (CSCFT)
ZAO "SCHAG",
Journal "Supercritical Fluids: Theory and Practice"

Scope:

- thermodynamics and phase equilibria, transfer phenomena in SCF systems;
- extraction and fractionation;
- chemical synthesis and reactions of SC reactants and in SC media;
- modification and dispersion of natural and synthetic materials;
- SCF chromatography and analytical applications of SCF;
- experimentation in SCF systems;
- economical aspects of SCF technologies

Types of Contributions: invited lectures, oral and poster presentations

Chairman - Lunin V.V. – *academician of RAS, President of CSCFT, MSU (Moscow)*

Organizing committee

A.G. Zakharov, Prof., ISC RAS (*Ivanovo*) – **co-chairman**
O.I. Koifman, corresponding member of RAS, ISUCT (*Ivanovo*) – **co-chairman**
A.M. Kolker, Prof., ISC RAS (*Ivanovo*) – **co-chairman**
K.G. Bogolitsyn, Prof., ASTU (*Arkhangelsk*)
V.M. Buznik, academician of RAS, IMet RAS (*Moscow*)
A.R. Vodyanik, SFU (*Rostov-on-Don*)
A.A. Vostrikov, Prof., IT SB RAS (*Novosibirsk*)
D.Yu. Zalepugin, PhD, SRI OCT (*Moscow*)
V.B. Kazansky, academician of RAS, IOC RAS (*Moscow*)
M.G. Kiselev, Prof., ISC RAS (*Ivanovo*)
Y.F. Kozlov, RUSSCIENCE (*Moscow*)
V.S. Korolev, CSCFT (*Rostov-on-Don*)
D.A. Lemenovskii, Prof., MSU (*Moscow*)
B.F. Myasoedov, academician of RAS, IGAC RAS (*Moscow*)
O.O. Parenago, PhD, IGIC RAS (*Moscow*)
I.A. Revelsky, Prof., MSU (*Moscow*)
A.Yu. Shadrin, Prof., Radium Institute (*St. Petersburg*)
R.S. Yarullin, PhD, OAO "Tatneftekhiminvest holding", (*Kazan*)

Program committee

V.N. Bagratashvili, Prof., ILIT RAS (*Troizk*) – **co-chairman**
A.P. Khokhlov, academician of RAS, MSU (*Moscow*) – **co-chairman**
V.M. Valyashko, Prof., IGIC RAS (*Moscow*) – **co-chairman**
M.A. Anisimov, Prof., University of Maryland (*USA*)
Yu.E. Gorbaty, Prof., IEM RAS (*Chernogolovka*)
F.M. Gumerov, Prof., KSTU (*Kazan*)
V.I. Minkin, academician of RAS, SFU (*Rostov-on-Don*)
M. Poliakov, Prof., The University of Nottingham (*Great Britain*)
M.Yu. Sinev, PhD, SICP RAS (*Moscow*)

Secretariat

Y.P. Puhovski, PhD, ISC RAS (*Ivanovo*) – *scientific secretary*
L.I. Kiseleva, ISC RAS (*Ivanovo*) – *scientific secretary*
S.A. Glazunova, ZAO "SCHAG", (*Moscow*)
V.V. Ryabova, ISC RAS (*Ivanovo*)
L.B. Kulikova, ISC RAS (*Ivanovo*)

Venue

The Golden Ring of Russia is a name for a loop of very old towns located north-east of Moscow. Suzdal. It is one of the oldest towns in Russia, first appearing in the chronicles in 1024. Historically it was a political and religious center of ancient Russia and now it is a major tourist attraction. The town has won the special prize of UNESCO for the preservation of the historical monuments and developing tourism. Suzdal is officially protected from the industries, and the old architecture and buildings are kept intact. The hilly green town is very seducing, old beautiful churches offer dreaming views.

Accommodation

Suzdal Hotel (<http://suzdaltour.ru/en>) of the Main Tourist Complex will be the conference site. Conference halls, restaurant, cafes, about two hundred rooms, a swimming pool, saunas, training hall are situated in one building. Four conference halls are suitable for plenary lectures and sessions. Comfortable restaurant for 500 seats can serve participants quickly. Cuisine is based on continental and old Russian recipes. Swimming pool and training hall are free of charge in the morning. A conference tour around of Suzdal will be organized for all participants
